 **DAYSPRING**
HEALTH SCREENERS

Love is a commitment you make to yourself and to one another. It is starting right on a journey of marital bliss and a lifetime of loving commitment to one another, the preamble to a journey that you will take together as a couple.

Introducing our **Love** series ...

*Complete with options to take only singular tests or couple tests, **sunburst** offers key tests that will address your key concerns for family planning and your personal health. It is a complete health screen and examination on its own. In addition, sunburst covers key concerns over hereditary conditions like Thalassaemia. Our Dayspring Doctor will also address key family planning considerations related to health conditions at your post-screening session.*

Dayspring Health Screeners is also happy to share the LUXE and Love series with you. They have been lovingly designed to meet your every need and we will be most delighted to explain their coverage if you are interested. Please give us a call on 6339 9339 for more information or SMS 9199 0123 for appointment.
